

# Sphere

Many sculptures have been made that embrace the symbolic form of sphere. Visually this form communicates the ideas of unity, earth, community, coming together, seed, beginning, and play. Your task is to create a sculpture that uses this form using **found objects** and the **assemblage** methods.

## Get READY!

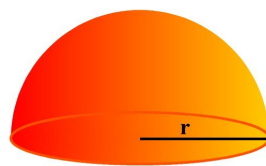

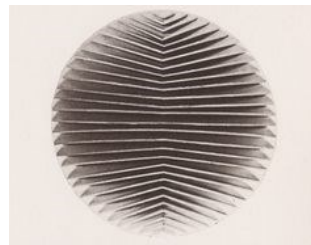

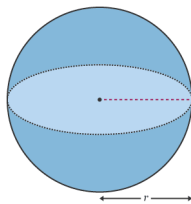

- 1- Create a page in your visual art journal called "Sphere Sculpture."
- 2- Define the two words in BOLD above.
- 3- Describe 15-20 items you brought in.

## Get SET!

- 1-make 3 sketches of how you can combine those objects to create the form of a sphere
- 2-choose the best one
- 3- choose: work alone or in collaboration
- 4- trade/combine materials and revise your idea

## Go!

Create your project and document the process with two pictures during the building and one when it is done—POST images to Edmodo
